GOLDEN

Connie Andrews is a California based artist with an extreme passion for all things collage, assemblage and ghosts. A former doll artist, Connie has been teaching mixed media around the Bay Area for over seven years.

Her work has been published in Somerset Studio and has been seen in local art shows and exhibitions.

Connie enjoys using her own photography in her art as well as vintage objects and images. She describes her art as "vintage with an edge."

Luminous Gel Medium

Exploring Texture & Collage, Part II

In this second class exploring Texture and Collage Connie Andrews will show you how to create texture by stamping, drawing and imprinting directly into Golden's Regular Gel Medium.

When painted with transparent and iridescent acrylic paints gel Medium makes for a glowing luminescent work of art.

Items to bring: Please bring your favorite scissors and paintbrushes. All other materials will be supplied.
